BESTÄLLNING AV RESERVDELAR

Denna katalog användes vid beställning av reservdelar hos auktoriserade BM återförsäljare. Genom att använda denna bildkatalog kan Ni ge återförsäljaren exakta informationer vilka reservdelar Ni önskar beställa och leveranserna kan därmed ske snabbare.

Reservdelarna återfinnes på ett antal sprängbilder, vilka var och en omfattar en större enhet av maskinen. Varje sida har en nummerbeteckning och detaljerna på sprängbilden har numrerats från 1 och uppåt.

Vid beställning av reservdelar måste följande punkter iakttagas:

1. Ange alltid maskinens typbeteckning, dess motor-, chassi- samt eventuella aggregatnummer och specialutföranden. Dessa data framgår av motor- och chassinummerskyltarna.

2. Ange tydligt grupp och sidnummerbeteckning under vilken önskad reservdel återfinnes i katalogen samt delens nummer i sprängbilden.

3. Ange önskat antal av varje reservdel.

4. Ange namn och adress samt på vad sätt reservdelarna önskas levererade.

Eskilstuna november 1972
